Equal Parental Responsibility Initiative

Children perform better when both parents are present in their lives.

The Proposed Law Aims to:

- Enforce equal parental obligations when a child is born, or resides in California.
- Assist in enforcing child custody agreements during disputes
- End child support orders in equal custody status cases
- Begin prosecution of non-compliant parents
- Mandate visitation orders with non-custodial parents

Signature collection for supporters will begin November 1, 2025

Exceptions

- ☒ Parent is incarcerated
- ☒ Parent is out of reasonable distance
- ☒ Child is proven to be in danger
- ☒ Parent is unable or unwilling to provide the basic needs of the child
